ANNUAL REPORT 2023-24

INDIAN INSTITUTE OF TECHNOLOGY MADRAS

CHENNAI – 600 036

**MESSAGE FROM DIRECTOR, IIT MADRAS
PROF. KAMAKOTI VEEZHINATHAN**

Choosing a Career Path is pivotal in every student's professional journey, as their skilling and knowledge serve as gateway to promising careers on culmination of years of their academic preparation. At IIT Madras, career path is kept dynamic and exciting for all students aspiring to succeed in their varied careers.

The recent establishment of our new Career Pathway Centre marks a significant advancement in IIT Madras' commitment to student success. This integrated platform combines placement, internship, career development, and entrepreneurship services, offering comprehensive support to our students as they navigate various career paths.

As India's premier institution, IIT Madras maintains its leadership by fostering/cultivating strong partnerships with organizations worldwide. These collaborations extend beyond recruitment to encompass collaborative research and knowledge exchange. The curriculum and training provided to our students will undoubtedly prove beneficial to recruiters, with our students poised to exceed expectations.

We thank our Recruiters those who have recruited and extend our heartfelt gratitude to our esteemed recruiters and eagerly anticipate future fruitful collaborations ahead. Further we extend a warm invitation to organisations who are looking for talented human resources to visit the campus and engage with the office of Career Pathway Centre at IIT Madras. We wish our outgoing students and the further aspiring students to approach this Career Pathway Centre.

**MESSAGE FROM DEAN (STUDENTS), IIT MADRAS
PROF. SATHYANARAYANA N. GUMMADI**

At IIT Madras, our newly established Career Pathway Centre (CPC) exemplifies our commitment to fostering a collaborative ecosystem that integrates entrepreneurship, industry, academia, and students. This unified platform enhances our ability to provide comprehensive career support and development opportunities.

Our students are remarkably resilient, channeling uncertainties into motivation for academic and research excellence. The Career Pathway Centre, which includes our Placement & Internship Cell, is dedicated to working closely with industry partners. Our dual aim is to help students secure placements and internships while connecting organisations with professionals who will drive their missions forward. This centralized approach allows CPC to offer students enhanced training, networking opportunities, and exposure to entrepreneurial ventures, ultimately improving their employability and career readiness.

We are confident that our collaborations will yield highly productive career outcomes for our students. We sincerely thank our recruiters, collaborators for the support extended and requesting continued support in future.

Career Pathway Centre (CPC)

Placement & Internship (P&I)

Finding internship and job opportunities for students

Career Development Cell (CDC/CDC-R)
