Email: placement@iitm.ac.in / Website: placement.iitm.ac.in

Dear Recruiter,

We welcome you to the placement process at IIT Madras. The placement activities are coordinated by the placement office staff and student team.

The placement process at IIT Madras is only partly supported by the institute and mostly self-sustained by design. All the administrative operating costs incurred are managed using the registration fees paid by both the students and recruiters such as yourself participating in the process.

This year, as we move our campus placement drive from a completely online to a hybrid mode of operation, the costs required to run the logistics of the process has only increased.

We request you to pay the registration fee of Rs.10,000/- and participate in the placement process at IIT Madras.

We look forward to your participation.
