INSTRUCTIONS

Students have to pay the Placement fee of Rs. 2200 [including 18% GST]

(Note: The Placement Fee for PhD students is Rs. 1500 [including 18% GST])

Kindly go through the Rules and Regulations given below to have a good understanding of the Placement Process.

The Institute Placement Season is structured to be a year-long process: from July to May. Students from different streams: B.Tech., Dual Degree (Integrated B.Tech. + M.Tech.), M.Tech., M.A., M.Sc, M.S. and PhD across 16 different branches participate in the two-phase recruitment process. An independent body - the Career Development Cell devotedly focuses on the all-around preparation of students for the multi-faceted placement process. The registration process starts in August, and pre-interview activities like Pre-Placement Talks, Aptitude and Technical tests happen in the September-November period

Students and scholars are highly encouraged to participate in [CDC/CDC-R sessions](#), as they are invaluable during your internships and placements. Making good use of this

4. Enter your roll number under New Registrations and click go.

7. Once you have signed in, you will have to fill a survey form as shown below. This is one time compulsory task which is to be done post registration.

Dear Students,

We are delighted to invite you to participate in "FIRST BIG STEP (FBS)" survey. This survey is designed to understand your needs and aspirations as you gear up for your future career. Your candid responses will help us provide the best support possible during the placement selection process. Please be assured that your responses won't affect your placement opportunities in any way.

Let's work together to unlock your full potential! Dive in, share your thoughts, and help us help you succeed.

Skills

A. Which of the following areas would you consider to be your major strengths in communications? (Choose all the options that)

B. Which of the following would you consider to be your areas of weaknesses in communications? (Choose all the options)

8. After completion of the survey form , you will be directed to the contact details page . (If not, login to the portal to view the contact details.)

Resume Upload and Verification

Master Resume

1. You don't have to submit the master resume as a separate pdf, instead you need to add the details directly on the portal along with proofs.
2. Under title and description, give details about the resume point as you would write it in your fixed resume.
3. Under link , add Google Drive/ GitHub link as proof for each resume point and give view access to all. Refer to the Resume guidelines document for more details regarding submission of proofs for each resume point.
